ESSA RESEARCH-BASED DESIGN TIER 4

ESSA LEVEL IV—DEMONSTRATES A RATIONALE

ICEIE SILVER EFFICACY

Accelerate Student Achievement Through

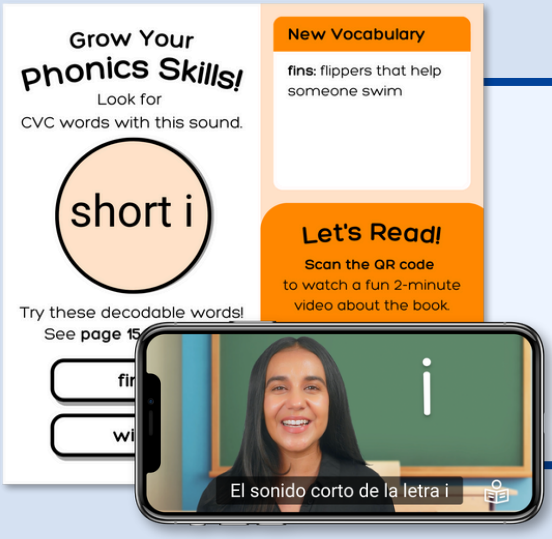
The 5 Pillars of Reading

1 Phonemic Awareness

Our Letter Books provide the critical building blocks of early literacy, helping young learners connect letters to sounds with confidence and joy.

2 Phonics

Each book features 90% decodable text and 20% targeted phonics instruction, supported by research-based video phonics lessons available in 14+ languages.



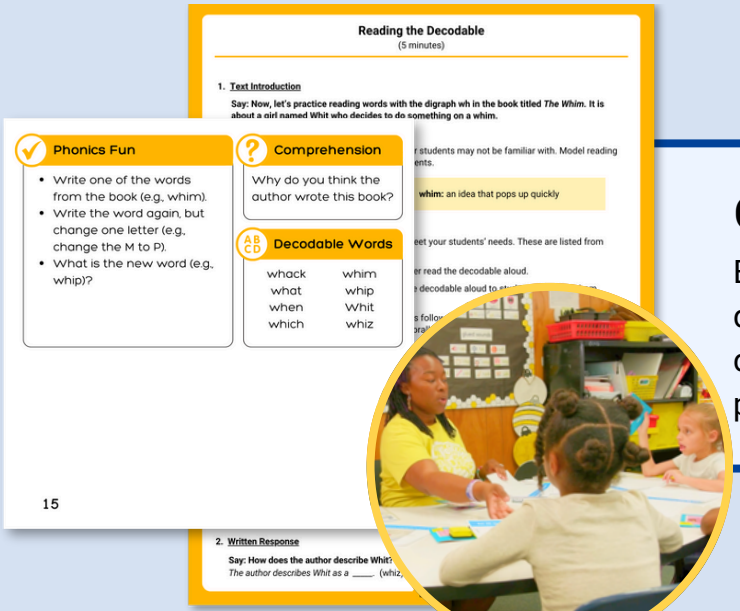
3 Fluency

As students reread, they strengthen fluency and mark their achievement by coloring a High Five! on the back cover—encouraging repeated practice and celebrating success.

Research-Based Phonics Program!
Learn more.

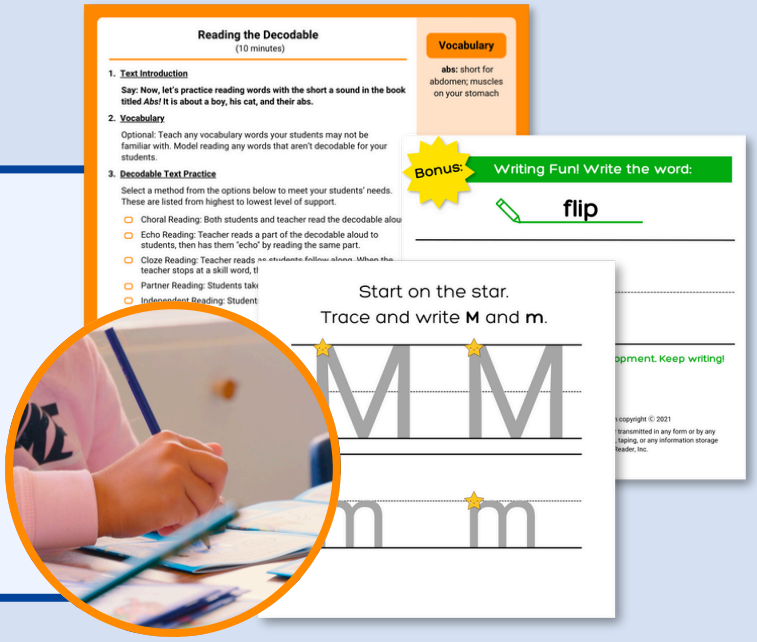
4 Vocabulary

To help students expand their language and comprehension skills, each book introduces rich, new vocabulary.



5 Comprehension

Each book and lesson plan includes discussion and written-response questions designed to check for understanding and promote deeper thinking.



BONUS Reading + Writing Connection

Integrated reading and writing activities support students in making meaning from text through purposeful writing that reflects and extends comprehension.

> If you are looking for decodable texts to support a well-articulated scope and sequence of phonics instruction, **look no further!** Just Right Reader Decodables are clearly designed to support explicit, systematic phonics instruction.

Longer Text Builds Reading Stamina

...Dante stopped. His eyes widened with excitement. On the other side of the trucks was a large grassy area. It was full of dogs!

"Come on!" he said to Olivia.

They ran toward the dogs. There were dozens of them. Playing with each other. Barking. Rolling on the grass.

Dante was puzzled. Why were all these dogs here?

Then, he thought of a more important question. Where were their owners?
